## Fifa 22 Activation

---

“FIFA and the association’s continued commitment to innovation has always been at the forefront of our development process,” said Jay Ledford, vice president of product development at EA Sports. “FIFA 22 delivers everything we could have hoped for and more, taking gamers on a journey around the globe as they experience some of the most iconic matches in the history of the beautiful game.” The FIFA 22 trailer will feature gameplay demonstrations of all 11 of this season’s major tournaments, including the historic 2018 FIFA World Cup Russia™, plus the 21 International Cups and World League. The game will also feature an in-depth Career Mode, including pre-match, quarter-final, semi-final and final sequences from the FIFA World Cup 2018, as well as the Group Stages of the UEFA Champions League. Each tournament scene includes a host of new gameplay features, including new animations and smarter AI, cinematic goal celebrations, more referee challenges and player-to-player conversations. In addition to the massive variety of international competition to compete in, FIFA 22 features new challenges for the FIFA Ultimate Team community to prepare for. Players will have access to the enhanced MyClub mode, which features a variety of new challenges, new community-requested content and more. New Character Creation Changes The character creation screen in FIFA has been completely overhauled. Players now see their main character stats as an overview of the key elements, allowing them to quickly see how these relate to their current skill level. The new character creation screen Players can now use the intuitive pop-up keyboard to quickly and easily build their playable character. Players can now create and save completely new classes with one additional button press. The save button now stores the class as well as the general skills and body type. New Player Faces The faces of over 100 new players have been added to the game. These include familiar faces from the EA SPORTS FIFA 17 collection, including Cristiano Ronaldo, Lionel Messi and other members of the 18 major teams in the world. New players include the likes of Denis Cheryshev, Umar Sadiq and Angel di Maria. \*New Player Faces New Authentic Player Body Shapes and Muscles Players can now choose from over 100 authentic body shapes and muscle arrangements. New player models include the likes of Cristiano Ronaldo and Neymar. \*New Player Body Shapes

Now, with even more ways to play and unlock new and rare items, FIFA Ultimate Team unlocks the next dimension of the game. Using the most immersive approach to The World's Game, and introducing new features such as Ultimate Strikers, make this year's update the biggest, most exciting FUT yet. MyClub - Play with your friends with your own custom-created team. Invite up to 10 friends to play in "League" matches, challenges or online head-to-head matches. Open up the possibilities of your matches with new customised formations, new playable players, and the introduction of special abilities to give you the edge. All-new "Ultimate Team" - Build the perfect team and compete in new and established leagues, offline against friends or online against other teams. Transfer in all-new items, revive retired legends and reveal buried greats. Players receive new player cards, creating new ways to set your team up and unleash a new level of tactics. FACE RECOGNITION - New "Real Player Motion" technology captures every motion of your players on the field, including where you control the ball and how you strike it. Full 3D Player/Ball physics also means your players feel more like they are part of the game. FIFA World Player Ratings - This year's most dynamic and comprehensive form of player ratings means players have the opportunity to elevate their game and accelerate their careers. Players have a way to shape their own path by setting a personal rating and choosing different career paths to shape their ultimate playing style. Follow a true Pro's path, or go your own way - Players now have the freedom to shape their career and create the ultimate path to success. Use an indicator to see if the player is ready for the top. Turn them loose, let them walk. Either way, your choices have never been more meaningful. Improved Player Creation - Players will have more options than ever before when creating their players with a new customisable creation screen. Players can create any player from any position or look. Also, players can now create their own custom player kits, personalise their boots, and much more. \*New Collectible Pro Challenges\* - Collect and trade for 20 different new FIFA World Cup Pro Challenges in FIFA World Cup 2014. Place your national flags on Pro Challenges as National Pro Champions. Join your friends in online qualifiers or face off with them offline in the Pro Challenges.
