The world of Arallon is an island that is in the midst of a civil war. Its capital city, Valoran, is a realm inhabited by the people of the five nations. The heart of this world is the Elden Ring, a gigantic stone made of lava. With three flaws, it was created as a place between the realms of death and life and on the border between the dominion of the Elder Dragon Valoran and the Lords of Hoarfrost. Within the Lands Between, you will fight for glory in order to rise to become an Elden Lord. For a full list of prices, contents and content descriptions, please refer to the official site. Welcome to Arallon the home of the Daring Ring Defenders! \* At starting, you can choose your gender, appearance, class and name. \* A total of four Elden Lords each have their own classes, but their main class is determined by their race. \* There are countless classes and races to choose from. The Human, Visage, Dragon, and Beast races all have their own classes and weapons. \* You can customize your character by changing the appearance and role of your character. ITEM: 1) Warrior: Sword, Shield, Bow, and Staff \* The warrior is a balanced class that uses swords and shield for offensive attacks. \* You can add multiple weapons to your warrior. \* Equipped weapons can be changed as you battle. \* Even if you are injured, your weapons can still perform their main attack and follow-up attacks. 2) Ranger: Sword, Bow, Staff, and Shield \* The ranger can use swords and bows to fight. However, it also uses the staff and shield for support attacks, and the armor can also be used as a weapon. \* The ranger is suitable for close-ranged battles, especially against enemies that are weak against sword attacks. 3) Archer: Hand Crossbow, Bow, and Staff \* The archer can fight with a bow and a crossbow. It mainly uses a bow, but it can also use a crossbow. However, it can also use the staff as a weapon. \* The archer is a balanced class that can deal high damage, with a powerful ranged attack. However, it is weak against melee attacks. 4) Assassin: Dagger, Hand Crossbow, and Staff \* The assassin can use various hidden weapons. \* The assassin can also use the staff as a weapon. \* The assassin is a class that

Ug T R T U G R U G R T U G R U G ! The Korean localization of Divinity: Original Sin 2 was finally released, and we're a bit taken back. Is it really true that a 5 hour game in English can be translated in just under 24 hours? Well, time will tell. Divinity: Original Sin 2 is a turn based, party-based RPG. It's considered one of the bestest RPG games on the market, and we really want to see if it's as good in our own language. Thanks for reading, and hopefully we'll have an English release of the game in a few weeks. Joe: I was a huge fan of Divinity: Original Sin, and the translations from Hellfire Games looked really cool, so I was pretty hyped for this title. The moment the title screen with its flicking chibis appeared, I started my download, and about three-quarters of the way through the game the task bar froze, forcing me to restart my computer (it was a bff6bb2d33
