The main feature of the Omega will be new phases! The Omega can start with one phase of 6-10 hours. After this, it will proceed to the new phase to be determined when it starts. The word "Omega" means "beginning or ending". We wish for every Omega user to enjoy the great new beginning awaiting on October 30th, and since February 2nd is still past the standard amount of time for new phase updates, we have decided to extend it to October 30th.

Moreover, you can get a PvP restriction from October 19th for the week starting on October 22nd.

From October 14th to October 18th, you can get 999 Gold for your hunter after coming to the Black Spirit's Tower from the Arcane dungeon.

From October 14th to October 18th, you can get 1 Prestige Mission from the Arcane Dungeon. Your character will drop 1 Prestige Mission and 5 Arcane Gemstones of the same kind for completing the Arcane Game in the Ghost Tower

or Black Spirit's Tower. When you use Arcane Gemstones, the Arcane Enchantment will receive a bonus. You can look below for further information.

How to Play: In this game, you will play the role of a Tarnished Lord, who uses the power of the Elden Ring in order to defeat monsters and collect the power of the Elden Ring. The main activities involve killing monsters and collecting their parts (□□). 1. Choose Your Character 1. Choose your character's gender and characteristics in the menu. 2. Select a starting location and town. 3. Transfer your character and items to the town. 4. Use the auto equipment feature to unlock auto equipment. 2. View the World Map The game map provides four areas that link up to form a connected world. Area 1: Dungeon - Take on the monsters and strengthen your army in the dungeon! Area 2: Ruins - Fight against monsters and collect treasures in the crowded ruins! Area 3: Field - Slay the monsters while finding the best fishing spots! Area 4: Woodland - On a journey to the south, pass through the dense trees and wild monsters. 3. Build Your Base 3. When the starting town is fully leveled up, you can build your own castle and farm. 4. Your castle can be built on the ruins or hilltop and can be connected to the town. 5. The player can interact with the town and he is normally armed with basic equipment. 4. Fight in the Dungeon 4. When monsters invade the town, you will be sent to a Dungeon that can be resupplied with the cash you have been earning. 6. When there is a danger, the Game Master (GM) will contact you and help you. 5. Raid the Dungeon 5. This procedure enables you to make two kinds of quests: attack the dungeon and quest. 7. When you find a dungeon and attack it, you will get a reward in form of cash, gold, and elixir. 6. Expeditions 6. When the player travels, he will see the change in the field. 7. Fishing 7. Along the lakes, rivers, and ponds you can find fish. 8. Fishing has a requirement: you need to pay to enter and fish. 9. Fishing has a requirement: you
