English translation of the meaning of "Al-Qur'an: A Guide for Humanity" (English only) - Kindle edition of Malik, Muhammad Farooq- i-Azam. The book was written as a guide to facilitate understanding of the Qur'an, including for people with disabilities. It features over 4,000 sayings that have been selected and translated on topics such as "Peace", "Nature", "Man", "Knowledge", "Power" and "Religion". The book contains over 400 illustrations and over 5,000 words and phrases used in the Quran. It has now been translated into 22 languages, including Russian, and is one of the most popular translations of the Quran in the world.
